Blue Spa of Germany Hits Forbes' Top Ten List for 2008

Offering Hot Chocolate and Four Hands Massages, Blue Spa of Munich, Germany, Ranked One of Forbes' Top Ten European Spas for Massages

Atlanta, Georgia -- (Dulchey Highlights) - December 15, 2008 -- The Blue Spa offers a variety of therapeutic treatments, ranging from Hot Chocolate Massages to Four Hands Massages, that helped earn the Blue Spa a spot on Forbes' Top Ten list for 2008.

In case you are wondering what Hot Chocolate Massages and Four Hands Massages are, well, we wondered too. Hot chocolate lovers should know that the hot drink is not poured over one's body. A Hot Chocolate Massage is actually a skin-care treatment that uses warm massage oils that contain shea butter and cocoa.

The famous Four Hands Massage offers spa guests the experience of two massage therapists working in rhythm, using a special blend of body oils and creating ultimate relaxation, according to the Blue Spa.

It is no wonder that the Blue Spa earned a title in Forbes' Top Ten European Massages, considering that it offers customers a wide array of menu items, including Blue Spa's Signature Massage, which provides a holistic approach that combines five different massage styles.

Blue Spa is a part of the luxurious Bayerischer Hof Hotel in Munich, Germany. Spa amenities include a pool and sun terrace, a sauna, specialty treatments, fitness activities, beauty treatments, and bar and lounge areas. For more information, visit www.bayerischerhof.de.
